

Sedat Laciner, ISRO Director

Education

PhD, University of London, King's College London, University of London, UK., September 1997-2001.

Master (MA) in International Politics (with distinction), University of Sheffield. September 1996-September 1997.

BA, Ankara University, The Faculty of Political Science, The Department of International Relations, Ankara, 1989-1994.

Main Responsibilities

Establishes the goals and general direction of the ISRO's work and manages the Organization staff.

Oversees the ISRO research and publications programs.

Liaises with nationally based institutes of international affairs and with government officials. Manages the ISRO capital fund-raising campaign.

Maintains links and works closely with others outside the ISRO to strengthen the Organization's capacity to inform the public debate.

Contributes to the public debate on international politics and international security through numerous speaking, writing and broadcasting engagements.

Apart from these, he is the head of the Middle Eastern Studies Desk and directs Middle Eastern studies at the ISRO.
